

Add stylesheet in chrome to get landscape or portrait option

Open Developer Tools → Open the Elements Tab → Add a New Style Element at <head> section.

```
<style>@page {size: auto !important;}</style>
```

OR

Press F12. → Go to the Console tab. → Paste the following code:

```
var style = document.createElement('style');  
style.textContent = '@page { size: auto !important; }';  
document.head.appendChild(style);
```
